

ANNUAL HR SYSTEMS SURVEY

BE PART OF A GLOBAL RESEARCH COMMUNITY

Take part in the world's most renowned and longest-running industry survey!

A 28-year research effort... each year between **April and July**, over 3,000+ unique global organizations participate in our Annual HR Systems Survey - the industry's most **extensive, longest-running global research effort** of the HR Systems market delivering critical **Voice of the Customer** feedback on current and future HR technology experience, spending, adoption, and outcomes.

Participate and access real-time HR Systems market data!

What's in it for our Distributors...it's simple. As a member of our Distributor community, you gain valuable buyer insights and the latest market trends, including specific survey data unique to your organization. We offer benefits for your support and participation that equal a value of over \$35,000.

Harnessing Our Data as a Value Driver

Unlock exclusive insights with Sapien's research... many participating organizations choose to subscribe with us throughout the year to access **deeper cuts** of data – offering rare (and timely) market insights specific to their organization, which would otherwise be too expensive and time-consuming to obtain on their own.

Ready to join our Global Community

If you would like to schedule a 30-minute informational call with a member of our research team at Sapien Insights Group before becoming a Distributor, please email research@sapieninsights.com.

Sapien Insights Group is a research and advisory firm that specializes in equipping clients with data and insights that drive enterprise-wide change through better investments in people, processes, and technology.
